Gateway to Italian Technologies

Italian Technology Center presents the excellence of Italian manufacturers of machine tools and machinery for printing & packaging industries

REGISTER TO WEBINARS "GATEWAY TO ITALIAN TECHNOLOGIES"

Italian Technology Center (ITC) is a network agreement among eight Italian companies in the field of capital goods, promoted and supported by Associations UCIMU, AMAPLAST and ACIMGA.

ITC aims at promoting, strengthening ITC trademark and the brands of ITC companies, by establishing a constant market presence. Among the initiatives aimed at increasing the visibility of member companies, ITC is used to organize an annual seminar across India in order to meet Indian companies interested in collaborating with ITC members. However the COVID-19 emergency implies a change in modalities, therefore this year ITC decide to give continuity to promotional and marketing activities in India in a "extraordinary" period organizing the initiative **"Gateway to Italian Technologies"** consisting in five webinars dedicated to Italian technologies as per the below calendar:
