MORETTO AMONG THE 1,000 CHAMPIONS COMPANIES IN 2020

The Italian manufacturer Moretto is among the 1,000 "Champions 2020" companies. 1,000 champions companies in 2020 is a prestigious award that follows the analysis of the ItalyPost Study Center on companies that performed best between 2012 and 2018. A study that is characterized by absolute scientific rigor in the analysis of financial statements and on very stringent criteria.

The survey describes two poles of the Italian enterprises: the ones between 20 and 120 million turnover with 800 champion companies and the other ones between 120 and 500 million turnover with 200 Italian companies. In terms of regional distribution, the area of Lombardy is the winner with 322 companies followed by Veneto with 175 and Emilia with 141.

"Being among the 1,000 Champions companies is a source of pride and satisfaction. Another important appointment after the "Premio Industria Felix - Il Veneto che compete", that leads us to positively retrace the choices made in the recent past allowing us to this result and that always offer us new incentives to face the challenges of the future", the company stated in a press release.

The project Piattaforma India has been promoted by UCIMU – Association of Italian Machine Tools Manufacturers and AMAPLAST – Italian Plastics and Rubber Processing Machinery and Moulds Manufacturers Association. The two associations agreed on the idea that promoting a network of associations and entrepreneurs who have developed knowledge and experience on the Indian market, can be useful in favoring of new paths of development for business. The Indian companies who are interested to form JV, cooperation, technical tie up, purchase machinery etc from/with Italian companies can contact below mentioned address for any assistance:
