TRIA NEW HEADQUARTERS INAUGURATED IN COLOGNO MONZESE

At Tria headquarters in Cologno Monzese, in the outskirts of Milan, the renovation works have been completed and new offices have been inaugurated. The works that began just last year included renovation the external façade of the main building and modernizing all the indoor spaces, repurposing the interior.

The improvements made include a new reception to welcome visitors and clients, the offices of employees, which have been enlarged and fitted with transparent glass panes to improve lighting, and three rooms for meetings, one for up to eight people, the other two for up to four.

The project Piattaforma India has been promoted by UCIMU – Association of Italian Machine Tools Manufacturers and AMAPLAST – Italian Plastics and Rubber Processing Machinery and Moulds Manufacturers Association. The two associations agreed on the idea that promoting a network of associations and entrepreneurs who have developed knowledge and experience on the Indian market, can be useful in favoring of new paths of development for business. The Indian companies who are interested to form JV, cooperation, technical tie up, purchase machinery etc from/with Italian companies can contact below mentioned address for any assistance:
